8th Ward Democrats - the 1st open ward Voter Guide & Sample Ballot

Dear Voters - your neighborhood Democratic Committee People volunteered for weeks to interview, assess, debate & vote on which candidates to endorse and include:

- **Judicial Candidates** - legal ability & temperament to decide fairly, compassionately, and with common sense. **We proudly endorse our 8th Ward friend Larry Farnese** (Larry is recommended by the Bar & endorsed by Rep. Ben Waxman, Sen. Nikil Saval, and more citywide).
- **Controller Christy Brady** - doing great work keeping City agencies accountable.
- **A DA challenger** - to both strengthen merciful justice reforms and protect community peace, safety, and accountability, so *all* in Philly can thrive.
- **We debated serious issues and concerns thoughtfully, passionately, & respectfully;** we ratified unanimously all voted decisions to include the candidates below.
